

Virtual Project on the History of ALD (VPHA): Overview and current status

VPHA, vph-ald.com: *Worldwide collaborative effort, in an atmosphere of openness, respect and trust*

- **Why? What? When? By whom?**
- In **VPHA**, Volunteered scientists from all around the world work together in an atmosphere of openness, respect and trust, to better understand the early days of ALD.
- We collect, read and comment upon ALD literature up to 1986.

- **Core work 56% completed (May 17, 2016)**
- **More volunteers still welcome & needed**
- **Join by June 15th**
→ **become co-author in ALD 2016 poster**

- *63 co-authors from*
- *18 countries in*
- *3 continents*
- *... and more welcome!*
